

MONTH 10

Tuesday 1ST May, 2007

OFFICIALY 9 MONTHS OLD TODAY!

Started to give juice again using your cup and looks like you might take it now!.

Cut your fourth tooth this month in week 40 at the top (but not the front 2, one to the side!).

Scrap the above! – All four decided to come through at once in the end!!

Got into your play ring by yourself. (and out the other side!)

Stand up using furniture (or me)

Dropped the tea time bottle at 43 weeks.

Proper crawling mixed still with commando crawl.
